PHILIPS
PowerStation
Pocket-sized power
in a hands-free stand and headphone organizer
Une alimentation qui tient dans la poche
avec station d'accueil mains libres et rangement écouteurs

## Pocket-sized backup power

### in a convenient cable-organising stand

The small, portable PowerStation Pebble provides up to 2 more hours of talk time. It works great as a horizontal video stand while charging your device. And its built-in headphone management design keeps your cables neat.

**Charge your mobile devices**
- A great spare or replacement cable to have on hand
- Micro-USB cable included to connect and charge
- Mini-USB cable included to connect and charge

**Portable power**
- Works anywhere - great when you're not near a power source
- Up to 2 more hours of talk time

**Smart design**
- Built-in desktop stand for easy video viewing
- Integrated cable management to keep things organised
- Integrated, flexible stand gives iPhone/iPod a place to sit
